For Immediate Release:

“I love this book. James Ray pulls no punches. He tells it straight, the way it is. In **HARMONIC WEALTH** he tells you exactly what you need to do to create the life you want. His writing style is just like his workshops—clear and powerful but entertaining. I highly recommend it.”

—Jack Canfield, author, *The Successful Principles* and *Chicken Soup for the Soul* series

“**HARMONIC WEALTH** is a classic. James Arthur Ray did not just write a book, he went out into the world and made it happen, charting every move he made. This book is a map that clearly outlines how you too can literally create a life of harmonic wealth.”

—Bob Proctor, author of the international bestseller *You Were Born Rich*

“A powerful book that will show you how to forge your own success in the world. **HARMONIC WEALTH** offers a new way to think about and create wealth in every aspect of your life.”

—Marci Shimoff, author of *Happy For No Reason*, coauthor of *Chicken Soup for the Woman’s Soul*

HARMONIC WEALTH

The Secret of Attracting the Life You Want

By James Arthur Ray

Balance is a buzzword these days. To be content we must balance our work lives, family time, spirituality, health, and minds. Right? Absolutely not says James Arthur Ray, a World Thought Leader and one of the stars of the multimedia phenomenon *The Secret*. In his new book, **HARMONIC WEALTH: The Secret of Attracting the Life You Want (Hyperion, May 6, 2008)**, Ray delivers a practical, results-driven book that will help put the Law of Attraction into action. Instead of balance, Ray contends that true happiness—and true wealth—comes from finding harmony in all areas of life. **James refers to these areas as the five pillars in your life:** Financial, Relational, Mental, Physical, and Spiritual. Ray has traveled the globe and spent more than two decades studying the thoughts, actions, and habits of those who create true wealth.

In **HARMONIC WEALTH** Ray shows us how we can put the now-famous Law of Attraction into use, ultimately leading us to find true wealth—“harmonic wealth”—in all areas of our lives. Ray coined the term “harmonic wealth” to describe a sense of richness that goes beyond the monetary. Harmonic Wealth can only be achieved when the five key areas of life are in harmony with one another: financial, relational, mental, physical, and spiritual. This concept forms the heart of Ray’s book. With it, he takes the Law of Attraction to a whole new level of practical application.

In **HARMONIC WEALTH**, Ray also shows his readers how to go “3 for 3”—that is, how to get thoughts, feelings, and actions working together in complete alignment. He also shows readers how to:

- Financial - Achieve financial freedom
- Relational - Deepen personal relationships and improve the ability to attract desirable people into your life
- Mental - Improve creativity, intelligence, and mental functioning
- Physical - Maximize your health and amplify your physical strength and increase energy level
- Spiritual -

HARMONIC WEALTH encourages readers to be pragmatic while giving them the tools with which they can design a personal roadmap. This book will transform thoughts, beliefs, and assumptions to help readers achieve abundance, well-being, and fulfillment in every area of their lives. It’s a journey millions of people are waiting to take.

ABOUT THE AUTHOR: James Arthur Ray has traveled the globe, devoting more than two decades to studying the thoughts, actions, and habits of those who create true wealth in every area of life. A World Thought Leader, popular speaker, and featured expert in *The Secret*, James is one of the few spiritual teachers with stellar business credentials (as an entrepreneur, and also as a top sales manager and personal and business growth expert with AT&T). He’s been a recent guest on *The Oprah Winfrey Show*, *Larry King Live*, *Moneyline*, *Good Morning America*, *ABC World News Tonight*, and the *Today* show. He lives in San Diego and Las Vegas.
